Señorita Baker was the Lester C. Noecker Schools' World Language teacher for fifteen years; she touched the heart and spirit of everyone she met whether they be colleagues, parents, or students. Sadly she passed away in 2015; she is truly missed. In honor of her service and memory, a special place in our school will be dedicated to her and all she so loved.

Please join us at the monthly Roseland Board of Education meeting at the Lester C. Noecker School in our Media Center

Please RSVP to Cathy Overbeck, Administrative Assistant to the Superintendent (973.226.1296 ext. 315 for coverbeck@roselandnjboe.org)

We hope to see you there!
