

# ROSELAND SCHOOL DISTRICT

## JOB DESCRIPTION

**TITLE:**                   **Technology Teacher**

**QUALIFICATIONS:**

- K-5 or K-8 NJ Teacher Certificate
- Exceptional skills in educational technology and an in-depth knowledge of how to incorporate technological tools and resources to facilitate student learning and achievement in all curriculum areas in alignment with the New Jersey Student Learning Standards.
- Demonstrated ability to integrate technology in authentic and meaningful ways
- Ability to support teachers with the use and integration of technology into instruction
- Ability to effectively collaborate and coordinate communications with staff, parents, students, and other members of the school community.
- Ability to establish and maintain working relations with the school community.
- Required criminal history background check and proof of U.S. citizenship or legal resident alien status.

**REPORTS TO:**            Building Principal

**JOB GOALS:**

- Provide comprehensive resources to students and teaching staff to facilitate the integration of effective, high quality technology resources in the K-6 classroom.
- Model applications of technology that will allow teachers to increase their understanding and mastery of vital education technology tools.
- Work with both small and large groups of students during daily teaching schedules to provide instruction that will improve student performance and productivity using technology tools.
- Work with teachers to enhance instructional practice.

**PERFORMANCE RESPONSIBILITIES:**

- Support the implementation of grade and age level appropriate applications of educational technology in the classroom to support, enhance and increase student learning.
- Research and implement best practices in educational technology and create lessons that will incorporate learning goals that allow our students to prepare for online/technology driven assessments.
- Provide enrichment support for students functioning on or above grade level.
- Assist in providing ongoing professional development for teachers to support the use of technology for classroom instruction, at differentiated levels, to meet all students' needs.
- Model educational technology strategies for teachers that demonstrate best-practices and research-based instruction with students.
- Ensure consistent implementation of District initiatives and curricular oversight.

- Perform other duties within the scope of the position and certification as assigned by the appropriate administrator.
- Shall perform any other related duties as assigned by the Superintendent.

**TERMS OF EMPLOYMENT:**

This is a ten month position with compensation being determined in accordance with the appropriate negotiated agreement.

**EVALUATION:**

The performance of this position will be evaluated annually in accordance with state law and the provisions of the Board's policy on evaluation.

**APPROVED:** June 21, 2018
