The Board of Education’s Role

The Back to School Advisory Committee is an ad-hoc committee of the Roseland Board of Education formed to work in a supportive role with the Superintendent and Back to School Committees to positively and proactively address the needs and interests within the community for the 2020-2021 school year.

The purpose of the Committee is to ensure alignment with law and policy and provide recommendations to the Roseland Board of Education to protect the needs of the school community. The Committee shall do its best to support the work of administration and the Back to School Committees.
