**SCHOOL BUS WAIVER FORM  
2020-2021**

The Roseland School District has partnered with the Sussex County Regional Cooperative and are currently in the process of preparing new bus routes for the 2020-2021 school year.

As you may be aware, due to social distancing guidelines, we are not offering courtesy busing for the 2020-21 school year. In addition, students will be required to wear masks, windows will be open for ventilation, and aides will ride each route.

**The District is asking students and parents to review their busing needs and, if selecting to waive transportation, complete this form and return it to the main office, Attention: Mrs. Robi Dallow as soon as possible.**

Students and families, eligible for busing, who **voluntarily elect to waive busing**, will be able to re-establish busing at any time during the school year by contacting the District Office in writing by email to Mrs. Dallow. Transportation will be provided if a route is available. If available, the request for reinstatement will be honored within five business days from the date of request.

If you have any questions about this form, please contact our Business Administrator, Mr. Gordon Gibbs at [ggibbs@roselandnjboe.org](mailto:ggibbs@roselandnjboe.org) or Mrs. Robi Dallow at [rdallow@roselandnjboe.org](mailto:rdallow@roselandnjboe.org). Your cooperation and assistance in this matter is very much appreciated. See reverse side for form needing to be completed.

## Voluntary Waiver of To & From Student Busing

- School bus transportation for grades K through 6 students to and from school and home is voluntarily waived for school year 2020-21.
  
- We also understand that we can contact the school during the school year to re-establish a bus stop if our needs change.
