

Summer Reading Reminders

Dear Parents,

I wanted to send a reminder that the students should continue reading 30 minutes per night over the summer. Please make sure that your child is reading a book on his/her reading level. A list of books organized by level has been attached for your reference. Children who read a book on their level multiple times a week will not only become more confident readers, but will also have an easier time generalizing the skills taught in the classroom.

Reading Level: _____

In addition to summer reading, students also have access to Kidbiz over the summer. This is a great way to review comprehension skills that have been taught over the year.

Kidbiz Login Name: _____ *Password:* _____

If you have any additional questions about summer reading or Kidbiz, please feel free to reach out! Thank you for your help and continued support.

Have a restful summer vacation!

Sincerely,

Mrs. Melillo
