

# NOECKER CARES

## COMMUNITY SERVICE GROUP

### December Update:

The holidays are always a time to give back, and that is just what Noecker Cares has been working hard to do! In December, sixth grade Noecker Cares students went to the First Aid Squad to create care packages for soldiers overseas.

Noecker Cares also hosted an event to support the Pajama Program. Our generous Noecker families donated a total of 325 pajamas that will be donated to children in need! Noecker Cares representatives and alternates worked tirelessly to help fold, organize and box the pajamas that were to be donated. Great job to these students who have given back to our community.

### Upcoming Events:

- January 24 – Spirit Day (charity event to be announced)
