

What is the Roseland SEPAC?

The Roseland Special Education Parent Advisory Council (SEPAC) is a volunteer group of parents and guardians that provides input to the district as well as provide resources to parents and caregivers of children with special needs.

Each district Board of Education is charged under the New Jersey Special Education Code to ensure that a special education parent advisory group is in place to provide input to the district on issues concerning students with disabilities (Subchapter 6A:14-1.2, paragraph (h)).
