

# FAMILY BASKETS & DONATIONS NEEDED

## Noecker's Candyland GET INVOLVED!

The HSA 28th Annual Tricky Tray will be taking place on Thursday, April 30th at The Hanover Manor. This is our largest fundraiser and we need your support to make it another huge success so that we can continue to enrich our children.

Please consider donating items to make a basket or create a group basket with family or other Noecker families! By donating items or a basket you can generate hundreds of dollars in ticket sales that directly benefit our students and our school.

### HELPFUL HINTS

- All baskets must be worth at least \$75! Grab some friends and make a basket together!
- Remember that your donation is based on retail value and not what you actually spend. (Use coupons, discount cards, shop outlet stores, and look for sales)
- Please ask vendors, businesses, merchants where you purchase the items to match the dollar amount you spend to increase the value of your basket.
- Don't like shopping? Monetary donations are always welcome! Our HSA Volunteers can shop for you.
- No need to worry about wrapping – our creative Basket Wrapping Committee will wrap for you!

### HOW CAN I PLAY?

Please place any donation or your basket in a bag and attach this form to the bag.

All baskets/donations can be dropped off at 43 Oak Drive in Roseland (Allison's house) in our outside mail bin on the front porch.
