

NOECKER CARES

COMMUNITY SERVICE GROUP

January Update:

Noecker Cares students helped to cut out hearts for The Kindness Challenge run by Mrs. Cummings and the School Climate Team. Over 27,000 schools participate in The Great Kindness Challenge annually. Here at Lester C. Noecker School, students in all grades will be challenged to perform acts of kindness. They will earn hearts, which will be displayed in the front hallway for all to see!

Welcome Ms. Buccelli!

Mrs. Melillo will soon be taking a maternity leave and Noecker Cares students will be working with a new adviser, Ms. Buccelli! "I am excited to advise Noecker Cares Community Service Group for the remainder of the school year. I am looking forward to working with the students on their philanthropies," said Ms. Buccelli.

Upcoming Events:

- February 28 – Spirit Day
- Additional fundraisers and events to be announced by Ms. Buccelli
