April 11, 2018

Dear Noecker Families:

The Roseland School District will be administering the Partnership for Assessment of Readiness for College and Careers (PARCC) for students in grades 3-6 in the areas of English Language Arts and Mathematics. Below are specific dates of testing for each grade level; testing will occur in both morning and afternoon sessions.

April 13th - Infrastructure Trial - Grades 3 - 6

April 23rd - April 25th - Grades 3 and 4 - Language Arts

April 30th and May 1st-May 2nd - Grades 5 and 6 - Language Arts

May 3rd - May 4th - Grades 3 and 4 - Mathematics

May 7th - May 8th - Grades 5 and 6 - Mathematics

May 9th - Grade 6 - Mathematics

The Roseland School District utilizes a variety of assessments, including PARCC, to guide our curriculum, instructional improvements, and develop the achievement of our students. Earlier this school year we presented information on student performance on the PARCC assessment, and our plans towards continued growth and proficiency. You can find the 2017 PARCC Presentation and other resources on our [website](#).

We are extremely proud of all the hard work the teachers and students are doing every day in our classrooms and know that their efforts have prepared them well. We encourage our students to do their best, get a good night's sleep, and eating a healthy breakfast in preparation for assessment days while we plan to reflect upon and evaluate the results when they are received. **Please note that all smart phones and smart watches will be collected each day prior to testing. We kindly suggest that your child leave these devices at home during testing days.**

If you have any questions or concerns regarding the PARCC assessment, please contact your child's homeroom teacher, or Ms. Greenwald, Noecker School Principal.

Thank you!

Deanne Somers, Superintendent
