About Pajama Program

Pajama Program provides new pajamas to children in need, many of whom are waiting and hoping to be adopted. These children live in various situations including group homes, shelters and temporary housing facilities and are shuffled often from one place to another. Many of them have been abandoned, abused or neglected. Most of these children have never enjoyed the simple comfort of having a mother or father tuck them in at bedtime with warm, clean pajamas. Don't you love sleeping with warm and cozy pajamas? These children would like to too, also. Please help these children to sleep well at night by donating pajamas.
