“Alone we can do  
so little; together  
we can do so much”

Helen Keller

## What is the Roseland SEPAC?

SEPAC stands for Special Education Parent Advisory Council. It is a Parent Led Advisory Group that provides input to the Roseland BOE on issues concerning students with special needs. We also provide support, advise and information for parents on how to navigate the process of your child receiving Special Education services. Join us, we need you to make a difference!
