**7:30 - 8:30 pm in the Media Center**

### **Noecker Parents,**

We are excited to invite you to our first Noecker Special Education Parent Advisory Council meeting (SEPAC), of the 2019 - 2020 school year. We will be taking a look at the different settings we have for our Special Education students and what differences there are between, Inclusion, Resource, & Self Contained Classrooms. The second half of the meeting will be led by our parental SEPAC committee members.

We look forward to having you in attendance and sharing in our conversation about the Special Education Programs here at the Noecker School.

Throughout the year, we will be holding meetings to inform you about the program here at Noecker and Special Education in general. Parents of all students are welcome to attend, and we are excited to work in partnership with you, as we all grow together.
