Roseland Board of Education Lester C. Noecker School

100 Passaic Avenue Roseland, New Jersey 07068 (973) 226-7644, ext. 314

May 23, 2018

Dear Parents/Guardians,

Several times throughout the year the Roseland Recreation Department applies a treatment application to our front and rear baseball infields and the Roseland Board of Education applies a treatment application to our outdoor classroom/courtyard. An application is taking place over the Memorial Day weekend, between May 25, 2018 (after school hours) - May 28, 2018 and July 1, 2018 – July 3, 2018.

It is required that everyone remain off the applied area at least 72 hours after the application. We ask that you remain off the infields for the days stated above.

This is a routine application which is part of scheduled applications that occur throughout the year. Thank you in advance for your cooperation in observing these restrictions.

Sincerely,

Robyn P. Greenwald

Principal

Thomas August

Supervisor of Buildings and Grounds
