

# Lester C. Noecker Student Council Operation

## L.O.L.

### Letters of Love

We are proudly continuing with our Lester C. Noecker School tradition and sending “Thinking of You” notes to our troops during the holiday season.

We are collecting homemade cards and letters from our students that have always added a special touch to the care packages our Roseland community ships out.

#### Here are a few guidelines to follow:

- Please do not use glitter, pipe cleaners or anything that may set a metal detector off.
- Please only have students sign their first names on the cards.
- There will be a collection box in the main office from October 24, 2018 – November 30, 2018.

*Thank you for supporting our troops and Noecker community in this extremely special initiative.*
