

TRICK-OR-TREAT
for **UNICEF**
Make Halloween count.™

Dear Parents and Students,

The Student Council would like to announce that third through sixth grade Noecker students will be taking part in Trick-or-Treat for UNICEF. UNICEF is an organization that helps children who are in need of necessary supplies, such as food, water, vaccines, and emergency medical supplies. On Halloween, we ask that you bring the UNICEF box with you as you trick-or-treat. You can briefly explain the importance of UNICEF and politely ask for a donation from the person who answers the door. You can also ask family and friends for donations. Please return your box to Mrs. Melillo's room by Thursday, November 1, 2018. We look forward to raising money for these children in need. Thank You!

Sincerely,

Student Council
