# Pick Up / Drop Off

**When:** the week of June 15th

**Where:** the flagpole OR the gym

**What:** the exchange - a parent will drop off the “return to school” items in exchange for personal items

**Key:** Masks, adhering to schedule, all items already in bags!

**How:** Each family will be given a day, time slot, and location so we can minimize crowding and facilitate the exchange of items.

All items will be placed in bags and clearly labeled with student’s name and homeroom.

Grade level lists of items to be returned will be provided in advance! *See daily blast* re: library books and instruments!

# Trimester 3 / End of Year Grading Recommendations

The Grading Committee's goal was to develop guidelines to best address the realities of remote teaching and learning, respect the varying levels of support students received, and value students' work and participation. The committee recognized that traditional grading would be unable to adequately capture student growth and achievement in the final trimester of the 2019-2020 school year.

Both primary and upper grades, as well as special areas, were represented on the committee.

# Performance Levels/ Grading

## All Grades:

- Performance Levels document **student growth or progress** towards grade level end-of-year standards (ES, MS, AS, PS, NS, X)
- Unless substantial evidence is available, Trimester 2 performance level indicators will be utilized to document Trimester 3 work; no student will drop levels.

## Grades 4-6

- There will be no Letter Grades for Special Areas
- Trimester 3 Grades will be a combination of: 60% completion and 40% accuracy
  - Completion = every week or particular assignment for completion of activities
  - Accuracy = regular grading
- Trimester 3 will be averaged with Trimesters 1 and 2 for Final Grade

# ESY & Enrichment

*virtual for 2020*

**ESY** will be virtual for 2020 with a potential for some related services to be held, if permitted.

**EXPANDED Enrichment!** More opportunity and sign up \*by course!\* Information coming by the end of the week!

The **Kindergarten Summer Program** is cancelled, but we hope to hold K Screenings in August.

# Survey Coming Soon!

As we look to assess the community's needs and thoughts regarding online learning, social-emotional health, and returning to school in September.
