Topic 2: Partner Reading

We work as a team.

We don't just tell - we HELP!

We work together to solve hard problems.

We make our reading sound its very best!

FAMILY WHY

Partner Reading is a fun, cooperative learning strategy used to facilitate the development of fluent reading and comprehension skills. It allows students the opportunity to take turns reading, while also providing opportunities for discussion to monitor comprehension. Partner Reading also provides a model of fluent reading and helps students learn decoding skills.

Thank you!
