0174 LEGAL SERVICES (M)

In accordance with N.J.A.C. 6A:23A-5.2, the Board of Education adopts this Policy and its strategies to minimize the cost of legal services.

The Board authorizes the Superintendent of Schools, Superintendent of Schools' designee, School Business Administrator/Board Secretary, and Board President as designated contact person(s) to request services or advice from contracted legal counsel.

In accordance with the provisions of N.J.A.C. 6A:23A-5.2(a)2, the Board shall designate an administrative staff member to review all legal bills and confer with designated contact person(s) to ensure the prudent use of legal services and the tracking of the use of those services.

In the event the school district's legal costs exceed one hundred thirty percent of the Statewide average per student amount, the procedures established in 1., 2., 3., and 4. below shall be implemented and, if not implemented, the district shall provide evidence the procedures established in 1., 2., 3., and 4. below would not result in a reduction of costs:

1. The designated contact person(s) shall ensure that contracted legal counsel is not contacted unnecessarily for management decisions or readily available information contained in district materials such as Board policies, administrative regulations, or guidance available through professional source materials.
2. All requests for legal advice shall be made to the designated contact person(s) in writing and shall be maintained on file in the district offices. The designated contact person(s) shall determine whether the request warrants legal advice or if legal advice is necessary.
3. The designated contact person(s) shall maintain a log of all legal counsel contact including the name of the legal counsel contacted, date of the contact, issue discussed, and length of contact.
4. All written requests for legal advice and logs of legal counsel contacts shall be forwarded to the designated contact person(s) who shall be responsible to review all legal bills and compare all legal bills to the contact logs and to investigate and resolve any variances.

Legal Services (M)

Any professional services contract(s) for legal services shall prohibit advance payments. Services to be provided shall be described in detail in the contract and invoices for payment shall itemize the legal services provided for the billing period. Payments to legal counsel(s) shall only be for legal services actually provided in accordance with N.J.A.C. 6A:23A-5.2(a)4.

School districts and county vocational school districts shall not contract with legal counsel or use in-house legal counsel to pursue any affirmative claim or cause of action on behalf of district administrators and/or any individual Board member(s) for any claim or cause of action in which the damages to be awarded would benefit an individual rather than the school district as a whole in accordance with N.J.A.C. 6A:23A-5.2(b).

Pursuant to N.J.A.C. 6A:23A-5.2(a)1., the Board will annually establish prior to budget preparation, a maximum dollar limit for legal services. In the event it becomes necessary to exceed the established maximum dollar limit for legal services, the Superintendent shall recommend to the Board an increase in the maximum dollar amount. Any increase in the maximum dollar amount shall require formal Board action.

Contracts for legal services will be issued by the Board in a deliberative and efficient manner that ensures the district receives the highest quality services at a fair and competitive price or through a shared service arrangement. This may include, but is not limited to, issuance of such contracts through a Request for Proposals (RFP) based on cost and other specified factors or other comparable processes in accordance with N.J.A.C. 6A:23A-5.2(a)5. Contracts for legal services shall be limited to non-recurring or specialized work for which the district does not possess adequate in-house resources or in-house expertise to conduct in accordance with N.J.A.C. 6A:23A-5.2(a)6.
